**Breathable Brace Guards**

The first truly breathable brace guard!

Our breathable brace guards have an innovative design providing upper and lower arch protection whilst playing sports. Three breathing vents located at the front maximise air flow and there is increased clearance for the tongue, which fits comfortably between the bite pads. Comfortable and easy to wear, these brace guards may be heated and customised for each patient.

Black	17-999-21
Green	17-999-22
Silver	17-999-23
Yellow	17-999-24

Price ..... £3.15 each

**Ideal Brace Guards**

Our popular Ideal Brace Guards fully protect against injuries caused by trauma of brackets to the soft tissue. They are made from comfortable polyurethane and the height can easily be trimmed with scissors. The arch form matches GAC's AccuForm for an excellent fit.
