

# DuraLock® Plus

Impression Trays

One Try and You'll Know Why!

### Large Variety of Tray Sizes

DuraLock Plus trays eliminate inadequate coverage and/or tissue impingement and ensure an accurate fit every time.

### Stability and Durability

The reliable strength and stability of DuraLock Plus trays eliminate impression distortion and/or impression materials pulling away from the tray sides.

### Additional Benefit

Ortho Technology manufactures the DuraLock Impression Tray with an advanced medical-grade polystyrene plastic which is designed to be either disposable or cold sterilisable.

Superior Alginate Retention with No Adhesive Spray Needed!
