

# ADULT ORTHODONTICS

.....achieving simple excellence in practice

---

Prof Ama Johal & Dr Peter Huntley

---

Friday 28<sup>th</sup> June 2024

[9.00 to 16.15]

*“A great day with lots of useful clinical tips” [2023]*

## Course Aims:

This one-day popular course is now in its 8<sup>th</sup> Year and designed specifically for orthodontic specialists and 3<sup>rd</sup> year trainees, who wish to meet the challenges of treating adults in specialist practice.

*Please note: knowledge in diagnosis and fixed appliance technique will be assumed.*

*“Fantastic course – very clinical and loved the tips” [2023]*

## Course presenters:

Ama & Peter are very well respected with over 25 years of clinical and teaching experience each. Both have presented in the UK and internationally on a variety of clinical subjects.

## Venue:

This 1-day program will be held live in an ONLINE format.

## Course Overview:

This intense 1-day CLINICAL [6 hours CPD] course primarily focuses on:

- Treatment planning for adults
- Appliance choices
- Labial segment torque control
- Space creation
- Class II/III malocclusions
- Dozens of clinical tips
- Overbite reduction
- Periodontal combined care
- Restorative combined care
- Retention
