# Swingle

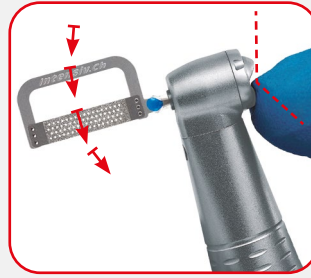

Contra-angle with integrated waterspray

- 20,000 oscillations
- 40,000 rpm
- 1.8mm reciprocal movement
- 2 Year Warranty

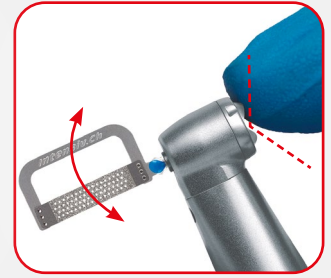

Air motor option now also available

A simple toggle switch on the head to select free moving or fixed position of strips

Fixed file position - 12 positions at 30° intervals for exact positioning of the strip to open the contact point and for enamel reduction

Free moving file for contouring, finishing and polishing

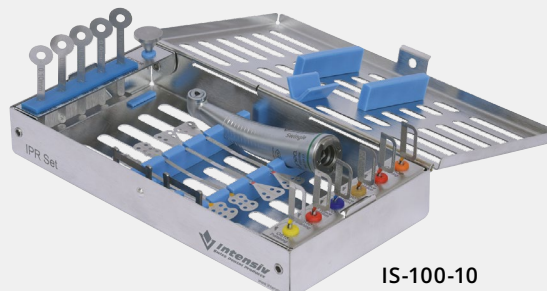

“ I have been using the Swingle for 5 years and it has changed how I deliver IPR for both aligners and fixed appliances. The Swingle offers control and contouring not possible with other motorised IPR instruments.

I would highly recommend this appliance for anyone carrying out IPR ”

*Dr Farooq Ahmed, Consultant Orthodontist*
